

## minimal pair lesson: {w/v}, {i/I}, {u/ʊ}, {ŋk/ŋ}

### w/v

West Vancouver was voted as having one of the worst water flavours as of 2014.

Which one was voted as having the very best flavour? Was it Victoria's west side?

Victor vanquished his vest over to the quivering vortex before venturing away west.

### i/I

She asked him to get the babysitter to bring in the little kids from the extreme heat.

He hid the keys from her while she was sitting still outside in the sleeting rain.

The high heat hit the keen kids first in the feet, then in the shins and knees.

### long oo/ short oo

You should tune in to the cookbook channel to look for super good food recipes.

Luke looked before taking off his toque and smoothing his hair as best he could.

Louis was hooked and took new books and shoes to his shoot for the schoolbook.

### soft ng/ hard ng

Hank was cranky and angry about the stinging reviews of his singing on stage.

Angie hanged the pink jacket up on the hanger while singing *Stronger*.

If you're thinking of bringing your thing to the fling, sing along strongly.
